Hello folks. Well I can say we are sure in the thick of the heat. Whew! It's been hot out there. I haven't been flying for awhile and maybe you haven't either and I don't blame you. We kind of have it the opposite as those folks back east where they build in the winter time because the elements are just too nasty to go out flying in, so in a way we can somewhat relate to that !

The latest at the field is we had scout day last week, where the scouts come out and fly their rockets. Ron the prez once again set it up and was supported by Bob and Lou along with Team Antwon and Rob. Ron also brought his motor home in case the temps became un-tolerable. He planned to fire up the air conditioning if such occurred. I don't know if that happened cause I had to leave early for another commitment. I DID SEE however that there were a few new planes there by Antwon and yess all 4 cycles. The parking was pretty tight by the time I left and there were still scouts showing up as I was leaving. Bet they all had a blast!

Ron also mentioned he was contacted by UCLA to fly a test plane that was to run solely on 3 liters of hydrogen gas and wanted to know if they could use the field for a 10 hour period next week. NOW THAT SOUNDS INTERESTING. AT THE LEAST. Again we are really blessed to have a field for testing etc. All the details were not completely available and Ron said he would need to have discussion at our next meeting so I hope you all show up because this should be quite interesting to hear about.

By the way, I did pick up a new plane built by the famous Bob Smith. It is a Sopwith Pup and of course a gorgeous piece of work. It is powered with a magnum 52 four stroke. I will probably wait till it cools a bit to have 1st flight.

That's it for this month folks, See y'all at the meeting.

Cheers,
JoeB

MMM Minutes 01 July 2008

Meeting called to order by the President, Ron Scaggs at 6:11 PM the meeting was held at the home of Floyd Mathews in Rosamond, Ca. 12 members were in attendance for the meeting. No minutes read for last months meeting. The treasury report was given by Charles Threewit. Steve Wells moved they be accepted and Jeff Jeffries seconded it.

Old business:

The Sign is in the same condition...waiting on Air Force for a decision for mounting in the ground. Bob Smith will be organizing the Christmas Party and Charlie Threewit will get the insurance form to Bob.

New business:

No new business this month.

Show and Tell: Charlie Threewit brought his Easy. He said he was tired of trying to make the thing fly. He was very disappointed with the kit.

Congrats to our three newest members: Joshua Kendall; Donnie Taylor, and Karl Morsey. Thanks for joining the club.

For those of you that have E-Mail please send me, the secretary, Jerry V. Rice, an e-mail so that I may include it on the e-mail list. My e-mail is j.d.rice@verizon.net. We will send you the newsletter via e-mail instead of snail mail, thanks. The more we save the more we can spend as gifts at the Christmas party.

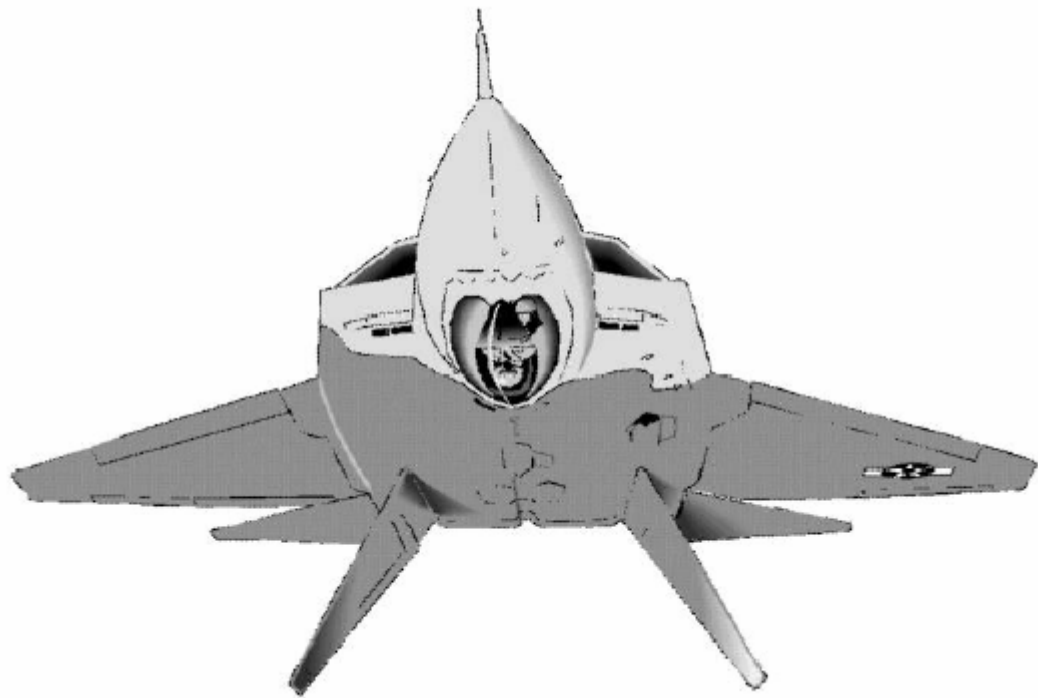

John Sturgeon will put your R C items in the newsletter as classified ads for selling or buying your items. His e-mail is oldcrow@sbcglobal.net. Put 'MMM Classified' in the subject line.
